- 2015 to 2016: Member of the Scientific Committee of the EARLI SIG 13 Conference 2016 (Salzburg, July 6 to 9, 2016)

- 2016 to 2019: Organizer of the “Hochschuldidaktisches Forum” of the Private University College of Teacher Education of the Diocese of Linz
- 2016 to 2019: Coordinator of the international scientific advisory board of the Private University College of Teacher Education of the Diocese of Linz
- Since 2016: Reviewer of the online journal “Global Education Review”, Mercy College, New York
- Since 2017: Member of the scientific advisory board of the online journal “Pedagogical Horizons”, Private University College of Education of the Diocese of Linz
- Since 2017: Certified reviewer of the Elsevier Journal „Studies in Educational Evaluation“
- Since 2017: Reviewer of research submissions of the University College of Teacher Education Styria
- 2018 to 2019: Member of the scientific committee of the ÖFEB Congress 2019 (Linz, July 17 to 20, 2016)
- 2018 to 2021: Deputy head of the interinstitutional “Linzer Zentrum für Bildungsforschung und Evaluation”
- 2018 to 2021: Faculty member of the Doctorate School “Kompetenzforschung in der Lehrer*innenbildung” of the Paris Lodron University Salzburg
- 2019: Election for a professorship (according to UG, §99) in school education under particular consideration of secondary education at the University of Vienna; accepted
- Since 2019: External member of the international scientific advisory board of the Private University College of Teacher Education of the Diocese of Linz
- 2019 to 2022: Chairman of the ÖFEB-Section for Teacher Education Research (Austrian Association of Research and Development in Education)
- Since 2019: Member of the congress board of the “Grazer Grundschulkongresse”
- 2019 to 2020: Member of the organisational core-team of the ÖFEB Congress 2021/2022
- Since 2020: Reviewer of the journal “Zeitschrift für Hochschulentwicklung (ZfHE)”, Verein „Forum Neue Medien” in order of the Federal Ministry of Education, Science and Research, Graz and Vienna
- 2020 to 2021: Coordinating member of the organisational committee of the cross-sectional ÖFEB Conference „Einstiege – Umstiege – Aufstiege. Was wissen wir über die Professionalisierungsprozesse von Lehrpersonen und pädagogischen Fachkräften?”. Online (Linz, Vienna and Innsbruck, February 24 to 26, 2021)

- 2020 to 2022: Member of the extended faculty of the “PhD Program in Education” of the Johannes Kepler University Linz
- 2021: Member of the appointments committee for the allocation of a PH1-professorship (elementary education) at the Private University College of Teacher Education of the Diocese of Linz
- 2021: Member of the appointments committee for the allocation of a PH1-professorship (“Bildungswissenschaften”) at the Private University College of Teacher Education of the Diocese of Linz
- 2021 bis 2022: Member of the doctoral advisory board of the DSPL 43; University of Vienna (dissertation field: education)
- Since 2021: Reviewer of the “International Journal of Educational Research”, Elsevier.
- 2021 to 2022: Member of the organizing committee of the TEPE (Teacher Education Policy in Europe) Conference 2022 (Graz, April 11 to 13, 2022)
- 2022: Member of the committee of the conference “Perspektiven zur Pädagogischen Diagnostik im Kontinuum der Lehrer*innenbildung (Innsbruck, November 18 to 19, 2022)
- 2022: Nomination for the election of the board of the ÖFEB (Austrian Association of Research and Development in Education)
- 2022: Alternate Member of the Conference of the Faculty of Philosophy and Education of the University of Vienna (representative of the professorate)
- 2022: Election for a professorship and a function as head of department at the St.Gallen University of Teacher Education (PHSG; Switzerland); accepted
- Since 2022: Member of the SLG (“Schweizerische Gesellschaft für Lehrerinnen- und Lehrerbildung”)
- Since 2022: Member of the SGBF/SSRE (Swiss Society of Research in Education)
- Since 2023: Member of the committee for the allocation of professorship at the St.Gallen University of Teacher Education (PHSG)
- Since 2023: Member of the master thesis committee at the St.Gallen University of Teacher Education (PHSG)

Languages

German (native language), English (fluent), French (basic skills)

Scientific Activities and Emphases

Dissertation on the subject of „Unterricht – Internet - Kompetenz“

Habilitation on the subject of "Forschendes Lernen im Kontext einer selbstbestimmungsorientierten Lernkultur"

Publications and presentations (see list of publications)

<https://www.johannesreitinger.com/downloads/publications.pdf>

Paper with the highest personal impact: „The Reflecting Brain: Reflection Competence in an Educational Setting is Associated with Increased Electroencephalogram Activity in the Alpha Band“ recognized as a top 20 most read paper in *Mind, Brain, and Education*; (Impact Factor [2018]: 2.103); (ISSN:1751-228X)

Research projects (project leads; project co-leads; single projects):

- „Understanding Portfolio Application in Teacher Education as an Emancipatory Learning Opportunity. Effects on Student Teachers‘ Professional Development.“ Accompanying research of the project „Vom Studium in den Beruf. Berufsbegleitende Portfolioarbeit für das Masterstudium Lehramt“ (University of Vienna)
- Project “ÖFEB vernetzt Forschung” – Development of an online-database to connect research initiatives in the field of Austrian teacher education.
- ‚Digitally compact‘ – Implementation and evaluation of an online-block-lecture on school and classroom research (University of Vienna)
- Self-determination, social interaction, and enforcement – Digital student learning during the pandemic (University of Vienna)
- Emancipatory portfolio conception in teacher education – STeEP (Student Teachers‘ Emancipatory Portfolio; University of Vienna)
- Inquiry and democratic learning in grammar school (Action Research cooperation of the University of Vienna, the Private University College of Teacher Education of the Diocese of Linz (PH of the Diocese in Linz) and the grammar school “Werndlpark Steyr”)
- Post-conventional communitization and democratic learning in confessional educational institutions - Individualization-compatible ecclesiology in a multicultural society (cooperation of the University of Vienna and the University of Gießen)
- Analysis of the resonance meetings on the occasion of the structural change project "Thinking Church Wide – Path Forward" of the Catholic Church in Upper Austria
- Innovative performance assessment and evaluation – Innovative grading
- TILA in Teacher Education
- Effectiveness of the afternoon care concept. „Sing for Life“

- Evaluation of the implementation process of the programs ÖKOLOG and PILGRIM at the PH of the Diocese in Linz
- Translation and standardization of the German-language version of the Criteria of Inquiry Learning Inventory (CILI-D; international cooperation between the PHDL, the University of Kassel, and the University of Passau)
- Development of a post-interventional inventory to measure the degree of involvement of criteria of inquiry learning (Criteria of Inquiry Learning Inventory; CILI)
- Development of the Theory of Inquiry Learning Arrangements. (Theory of Inquiry Learning Arrangements; TILA)
- Co-lead of the BZBF research cluster „Learning within Inquiry Arrangements" Networking and initiation of research projects on the Theory of Inquiry Learning Arrangements as well as publication of an English-language anthology (Theory of Inquiry Learning Arrangements)
- Evaluation of the school day care program in the province of Upper Austria on behalf of the Directorate for Education and Society of the Regional Government of Upper Austria
- Curiosity, self-determination, expectation of success, and orientation on principles in the context of criteria-based inquiry learning
- Epoch lessons in teacher education according to the AuRELIA concept for inquiry learning
- The Reflecting Brain
- AuRELIA in teacher education
- Analysis of reflection competence using electroencephalography
- Differentiated inquiry learning in science education with heterogeneous groups of pupils

Research Projects (project participation):

- ‘Less people dare to go outside’ – Formal and non-formal support structures for refugee students and young people throughout and despite crises. Experiences from Austria.
- Formative evaluation of the induction into the teaching profession in 2019/2020 (project commissioned by the Federal Ministry of Education, Science and Research)
- Evaluation of the new teacher education curricula in Linz, Upper Austria (inter-institutional project)
- Inquiry learning according to the CrEEd concept (mathematics; primary school)
- Informal learning processes within the organization and reflection of self-determined inquiry learning arrangements
- Development of an inventory for decision-making in acquisition processes concerning teacher education applicants
- OECD-Project “Innovative Learning Environments”

- Comprehension and mechanization in entry-level algebra (action research project)
- Evaluation of project teaching with new media based on the creation of a CMS for school (action research project)

Acquisition of external funds – Grants:

- Project funding given from the University of Vienna (“Aktiv Studieren”; increasing exam activity) for the project “Vom Studium in den Beruf – Berufsbegleitende Portfolioarbeit im Masterstudium Lehramt” (lead role in acquisition; 2022; 5.898,48 €)
- Research funding of the Diocese of Linz for the project "Analysis of the resonance meetings on the occasion of the structural change project of the Catholic Church in Upper Austria" (lead role in acquisition; 2019; 5.000 €)
- Research funding given from the Pastoral Office of the Diocese of Linz for the project "Religious individualization and communitization – An empirical investigation in the context of confessional educational institutions" (co-lead role in acquisition; 2018; 1.500 €)
- Project funding given from the “Bundeszentrums für Professionalisierung in der Bildungsforschung (BZBF)” for the project „Forschungscluster – Theory of Inquiry Learning Arrangements“ (co-lead role in acquisition; 2014 to 2016; 4.000 €)
- Evaluation of the school day care program in the province of Upper Austria; research funding given from the Directorate for Education and Society of the Regional Government of Upper Austria (lead role in acquisition; 2013 to 2016; 33.000 €)
- Habilitation research fellowship of the BMUKK (Federal Ministry of Education, Science and Research) (stipendiary; 2012 to 2013; 50 % PH1-position for 12 months)
- Research funding given from the BMUKK for the project “The Reflecting Bain – Analysis of Reflection Processes in Educational Settings using Electroencephalography (lead role in acquisition; 2011 to 2013; 70.000 €)
- Research funding given from the OECD for the Project “Innovative Learning Environments” (assistant researcher; Project Leadership: Schrittmesser, I.; 2008 to 2012)
- IMST-research funding for the project “Comprehension and mechanization in entry-level algebra.” (co-lead role in acquisition; 2008 to 2009)
- IMST-research funding for the project „Evaluation of project teaching with new media based on the creation of a CMS for school“ (co-lead role in acquisition; 2007 to 2008)

Reviews

- Scientific contributions (1 review for the „Zeitschrift für Bildungsforschung (ZBF)“; 7 reviews for the Online-Journal „Schulpädagogik-heute“; 2 reviews for IMST3; 2 reviews for “ARGE Bildungsforschung Österreich”; 1 review for ÖFEB; 1 review for the Cambridge University Press; 1 review for the “Zeitschrift für Hochschulentwicklung (ZfHE)”; 3 reviews for independent anthology-projects; 2 reviews for the Online-Journal „Global Education Review“, Mercy College, New York; 2 reviews for the Journal „Studies in Educational Evaluation“, Elsevier; 1 review for the “International Journal of Educational Research”, Elsevier; 3 reviews for the Journal „Forschungsperspektiven“, PH Vienna; 6 reviews for the Online-Journal „Pädagogische Horizonte“, PH of the Diocese of Linz; 1 review for the Journal “Lehrerbildung auf dem Prüfstand” of the VEP; various informal collegial reviews)
- Research applications (1 review for the KPH Vienna/Krems; 1 review for the “Investitions- und Förderbank Niedersachsen”, Funding: 565.665,00 €; 4 reviews for the PH Steiermark)
- Contribution submissions for contract conversion from PH3 to PH 2 and PH2 to PH1 (7 reviews)
- Collegial recension (1 unpublished collegiate review of exhibition accompanying children's literature)
- Scientific presentations for conferences (3 reviews for EARLI, European Association for Research on Learning and Instruction; 15 reviews for ÖFEB; 9 reviews for the “Grazer Grundschulkongresse”; 10 reviews for TEPE, Teacher Education Policy in Europe; 7 reviews for the University of Innsbruck)
- Scientific posters for conferences (1 review for the ÖFEB; 2 reviews for the “DACH Nachwuchsakademie 2022”)
- Scientific symposia for conferences (1 review for EARLI; 2 reviews for ÖFEB; 4 reviews for the “Grazer Grundschulkongresse”; 2 Reviews for TEPE, Teacher Education Policy in Europe)

(Former) Memberships of scientific advisory boards and review panels:

Journal Global Educational Review; Elsevier-Journal Studies in Educational Evaluation; International Journal of Educational Research, Elsevier; Zeitschrift Schulpädagogik-heute; Zeitschrift Pädagogische Horizonte; ARGE Bildungsforschung Österreich; Bundeszentrum für Bildungsforschung BZBF Österreich; scientific advisory board of the PH of the Diocese of Linz

Habilitation commission membership

Krammer, G., (University of Klagenfurt)

Dissertations; supervision/assessment (Doctoral Students, completed):

- Kesel, U. („Burnout bei Lehrerinnen und Lehrern 45+“; University of Passau; second assessor)
- -Schöftner, T. („Möglichkeiten von webbasierten adaptiven Systemen zur Steigerung der Fremdsprachenkompetenz“; Technische University of Dresden; second assessor and external advisor)
- Bodlak, R. („Erwartungen an Beraterinnen und Berater für Schulentwicklung“; University of Klagenfurt; external assessor)
- Daisenberger, J. („Studium – Referendariat – und dann Burn-out? Eine kritische Auseinandersetzung mit dem Ausbildungssystem von Lehrkräften“; University of Passau; second assessor)
- Fink-Pomberger, S. („Persönlichkeitsentwicklung bei Lehrpersonen“; University of Passau; second assessor)
- Eder, M. („Von der Bildungstheorie zur Kompetenzorientierung. Eine analytische Auseinandersetzung mit zwei zentralen Begriffen der Gegenwart und den Folgen eines Paradigmenwechsels“; University of Passau; second assessor)
- Oberreiter, E. („Die Wirkung von Supervision für die Organisationsentwicklung von Schulen“; University of Klagenfurt; external assessor)
- Schiebelsberger, A. („Lehrerpersönlichkeit durch Selbstwirksamkeit“; University of Passau; second assessor)

Ongoing supervision of dissertations (Doctoral Students):

Leutgeb, C. (Paris Lodron University of Salzburg, PH of the Diocese of Linz; main advisor);
 Aigner, A. (University of Passau; second assessor); Wedde, S. (University of Kassel; second assessor)

Supervision of master theses (completed):

Friedl, M., Haslinger, I., Walzl, S., Gril, T., Kampichler, C. (University of Vienna); Landlinger, S., Obermüller, M., Pintaric, M., Kremsmayr, B., Reiter, F., Breitenberger, S., Hübler, E. (PH of the Diocese of Linz)

Supervision of master theses (ongoing):

Milenkovic, V., Scheiwiller, I., Sabotic, A. (PHSG)

Supervision of bachelor theses (completed):

Auinger, S., Bindl, M., Hamberger, T., Hintersteiner, M., Huber, B., Huemer, M., Lorenz, E., Losbichler, J., Mayrhauser, S., Sokoli, A., Beric, D., Ganzenbacher, A., Jetzinger, W., Kagerhuber, V., Keplinger, R., Koller, E., Öllinger, T., Oyrer, S., Pointner, S., Polixmair, L., Pötzelberger, H., Reichetseder, T., Steidl, E., Steinbichl, C., Werner-Tutschku, V., Zauner, C., de Kort, R., Ebner, J.,

Großpörtl, E., Holli, M., Jedinger, M., Keplinger, V., Knoll, K., Radlinger, S., Riepl, A., Seifriedsberger, M., Strasser, B., Stuhlberger, T., Zimmerbauer, C., Andexlinger, S., Arthofer, F., Binderreiter, M., Dedl, C., Dicketsmüller, T., Gschöpf, S., Hager, J., Hilbinger, V., Hingsamer, M., Hölzl M., Karolyi, J., Küblböck D., Schaubmayer, A., Schraml, G., Wachtler, C., Wagner, C., Wallern, C., Feichtinger, P., Wojakow-Schlagin, A., Rammerstorfer, E., Bachl, K., Hirschberger, P., Katzenhofer, T., Katzlberger, M., Anzenberger, B., Dietachmair, M., Wallinger, M., Jungreithmayr, C., Länglacher, C., Engleder, V., Beyer, J., Dirisamer, H., Gatterbauer, A., Gruber, S., Gusenbauer, J., Palmetshofer, M., Hüthmayr, J., Platzer, F. (PH of the Diocese of Linz)

Multiple chairmanship and second assessor functions within Bachelor and Master exams

Mentoring:

- PhD students mentoring in the context of a colloquium of the doctoral program "Competence Research in Teacher Education" (University of Salzburg, University of Cologne, PH St. Gallen) on the topic "Quality in Elementary Education" (Salzburg, March 19, 2018)
- PhD students mentoring in the context of the Winter School 2019 of the doctoral program "Competence Research in Teacher Education" (University of Salzburg, University of Cologne, PH St. Gallen) on the topic "Theoretical Modelling and Operationalization of Professional Competencies of Teachers" (St. Gallen, February 6 – 8, 2019)
- Mentoring in the context of the Pre-Conference of Emerging Researchers of the ÖFEB (Austrian Society for Research and Development in Education) on the occasion of the annual congress 2019 (Linz, September 17, 2019)
- Holding of a dissertation seminar of the doctoral program "Competence Research in Teacher Education" (University of Salzburg, University of Cologne, PH St. Gallen) on the topic "Describing, Implementing and Evaluating Participatory Learning Opportunities" (Salzburg, November 6, 2019)
- Mentoring in the context of the online conference of the Emerging Researchers of the ÖFEB (Austrian Society for Research and Development in Education) "Many facets of educational research in Austria. Building a more-perspective horizon" (Vienna, September 23, 2020).
- Mentoring of emerging researchers in the context of writing of reviews in advance of the 'DACH-Nachwuchs-Akademie 2022' (Innsbruck, February 21. – 25, 2022)
- ongoing advising of the doctoral candidates of the Research Training Group Education & Technology (cooperation of the Technical University Dresden and the PH of the Diocese of Linz)

- Mentoring in the context of research practica at the Department of Education of the University of Vienna; mentored students: Martin, A. (2020-2021); Bumberger, B. (2022-2023)
- Advising cooperation partner within the project "Strategien im Kontext des forschenden Lernens" of the PH Steiermark
- Mentor at NetworkingCoffee.Club, a virtual community dedicated to guiding emerging researchers (since 2022)

Constitution of the Department of Education of Society Sciences as designated Head of Department of the St.Gallen University of Teacher Education, Switzerland

(2018 to 2019)

Deputy Director of the Linz Center of Educational Research and Evaluation on behalf of the Private University College of Teacher Education of the Diocese of Linz

(2018 to 2019)

Head of the Department for Research and Development of the PH of the Diocese of Linz

(2013 to 2016)

Erasmus Staff Mobility:

- Zurich University of Education (May 25 – 27, 2011)
- University of Passau (June 6 - 8, 2016)
- University of Kassel (May 19. – 21, 2017)
- University of Kassel (April 13. – 15, 2018)
- University of Passau (May 11. – 13, 2018)
- University of Kassel (May 24. – 26, 2019)

Erasmus Staff Mobility (inviting cooperation partner):

- Linz (June 21. – 23, 2017), University of Passau (Seibert, N., Cihlars, D.)
- Linz (May 15. – 17, 2019), University of Passau (Seibert, N., Cihlars, D.)

Participation in Scientific Schools:

- Winter School of the Doctoral College "Competence Research in Teacher Education" of the University of Salzburg, the University of Cologne and the PH St. Gallen (St. Gallen, February 6 – 8, 2019)
- Summer School 2018 of the Department for Research and Development of the PH of the Diocese of Linz (Linz, July 5, 2019)
- Summer School "Education & Technology" of the PHDL, the University of Strasbourg and the Technical University of Dresden (Linz, February 2 – 8, 2016)

- 7 participations in Summer and Winter Schools of the “Arbeitsgemeinschaft Bildungsforschung” and the BZBF (Schladming, 2013 – 2016)

Research and teaching foci:

Theory and practice of inquiry learning, participatory learning, and democratic education in secondary education and teacher education; ‘Bildungstheorie’; emancipatory learning opportunities; Education for Sustainable Development (ESD); effectiveness in teacher education; competence orientation; Undergraduate Research (UR); reflective inquiry habit of mind; school improvement research; basic topics of school education (e.g., didactic models, instructional principles, theory-practice_transfer); practice of teaching, decision-making in acquisition processes; innovative grading; electroencephalography research in the context of reflective competence; teacher dispositions

Methodological emphases and experiences: quantitative and qualitative research methods, mixed-methods; participatory action research

Practical Activities and Grants in Education at Schools (in German)

Teaching at schools:

11 years (full-time) of teaching experience at secondary schools (since 1988),
thereof 8 years as form teacher

Member of the steering committee for school development at HS 1 Schärading (development
of the Schärading Secondary School for New Media, Health and Social Issues; 2003 – 2008)

Practice instructor for student teachers (2006 – 2008)

Selection of school projects carried out with secondary school students since 1998:

electronics workshops, chaos theory in the classroom, low-cost student experiments,
nature project weeks, sports and 'Visiting Vienna' weeks, participation with groups of
students in the competition "Meister auf zwei Rädern", new media in science lessons, 7
theater performances with school classes, 3th place at the school competition of the
regional tourism association 2001, project winner at the regional competition of the
"Abfallwirtschaft" (solving the waste problem) 2004, successful participation with a focus
group at the Austrian Computer Olympics 2006, leadership of children's aerobics groups,
physics-chemistry workshops for elementary school children, empirical research projects
with school groups on scientific topics, inquiry learning in science lessons, IMST projects

School development and school development consulting:

e.g., Secondary Modern School 1 in Schärading, Werndlpark Grammar School in Steyr, various
cooperation schools of the PH of the Diocese of Linz

Autor of the school development concept "CrEEd for Schools" and "CrEEd for Future Schools"
(Sustainable Development)

Pedagogical-practical awards:

2000: Thanks and appreciation of the Schrading District School Board (certificate "Dank und
Anerkennung) for "den besonderen engagierten Einsatz in der Unterrichts- und
Erziehungsarbeit an der Hauptschule 1 Schärading".

2001: Thanks and appreciation of the Upper Austrian Regional School Board (certificate
"Dank und Anerkennung) for "die engagierte fachliche Betreuung der Schülerinnen und
Schüler der HS 1 Schärading anlässlich des 4. Schulwettbewerbes des Landesverbandes für
Tourismus".

2005: Thanks and appreciation of the Schärading District School Board (certificate "Dank und
Anerkennung) for "ausgezeichnete pädagogische Arbeit, insbesondere für die innovative
Planungsarbeit für schulautonome Schwerpunkte".

- 2006: Thanks and appreciation of the Upper Austrian Regional School Board (certificate "Dank und Anerkennung) for "die engagierte und innovative Mitarbeit an der Schulentwicklung sowie für die Vorbereitung der Schülerinnen und Schüler zur Teilnahme an der Computerolympiade".
- 2008: Thanks and appreciation of the Upper Austrian Regional School Board (certificate „Dank und Anerkennung) for „die engagierte Tätigkeit im Rahmen des Aktionsjahres Lern m:IT.“
- 2009: Thanks and appreciation of the Upper Austrian Regional School Board (certificate „Dank und Anerkennung) for „die engagierte Mitarbeit bei der Organisation der Experimentale 2009“.
- 2009: Thanks and appreciation of the Schärding District School Board (certificate "Dank und Anerkennung) for "den Aufbau des Bezirksnetzwerks NAWINET".
